

Field Construction Crewman

Position requires any combination of training, education or work experience equivalent to a high school graduation or G.E.D. Having knowledge of natural gas pipe installation and/or underground utility installation techniques is a plus but is not required. Position requires a Valid Driver's License and ability to acquire a Class A CDL within six months of hire. Position requires the ability to lift a minimum of 50 lbs regularly. The District offers a competitive salary with excellent benefits. This is a full-time position of 40 hours per week plus overtime on-call responsibilities. Applications will be accepted until the position is filled.

Interested candidates should submit an application to:
