Give the gift of warmth

For over 30 years now our community partner, ADFAC, has been working to support families throughout this region. During the upcoming holiday season, you can give the gift of warmth and help your neighbors with their home heating needs. ADFAC's Project SAFE program is temporary assistance for families who are struggling to pay their utility bills. Donations from ORUD customers truly make a difference and go a long way in helping these families get back on their feet again. Please consider donating today!
