Give the gift of warmth

For more than 30 years our community partner, ADFAC, has been working to support families throughout the region. During the upcoming winter season, you can give the gift of warmth and help your neighbors with their home heating needs. ADFAC's Project SAFE program is temporary assistance for families who are struggling to pay their utility bills. Donations from ORUD customers truly make a difference and go a long way in helping these families get back on their feet again. Please consider donating today!

If you'd prefer to donate online, visit <https://orud.org/about-orud/adfacproject-safe/>

Upgrade your HVAC system in time for winter!

Your home's heating and cooling system plays an important role in your family's comfort and budget. It accounts for roughly half the energy your home uses each month. Let ORUD and TNBank help you make the right decisions by choosing a high efficiency natural gas system, and a low payment loan to go with it. Natural gas is the most reliable energy source and will exceed your expectations! For more information, visit orud.org.
