

Have a Heart, Heat a Home

During the entire month of February we are encouraging all ORUD customers to **Have a Heart and Heat a Home!** You can get a gift if you sign up to donate a minimum of \$5/month. All new or upgraded amount entries will be entered to win a **\$100 Kroger giftcard**, drawn at the end of the month. It's as easy as filling out the paperwork and then every month when you pay your gas bill, you're also helping your neighbors! **For more information or to sign up for donations online, visit orud.org/about-orud/adfacproject-safe**

Donations go 100% into the Project SAFE funds. Project SAFE uses your donation to help customers with energy emergencies, regardless of the type of energy used – coming off of an especially challenging year, your help is needed more than ever. Your donation can truly make a huge difference.

Stay Cozy

February is known to be our coldest month of the year. These freezing temperatures can create random electrical power outages. Don't be left in the cold! Most of our natural gas heating products work without electricity. Stay cozy with natural gas logs and shop our exclusive winter sale. **All freestanding ProCom fireplaces on sale! Various models and colors available. Limited inventory, while supplies last.**
