Give the gift of warmth

ADFAC has provided assistance to families throughout this region for the past 30 years.

Help your neighbors stay warm this winter by giving them the gift of warmth. The Project SAFE program offered by ADFAC helps provide temporary utility bill assistance to families experiencing financial hardship. Providing these families with aid helps them get back on their feet again, and donations from ORUD customers make a real difference.

Please consider donating today!

I would like to give the gift of warmth and help my neighbors in need by donating to Project Safe!
