ANNUAL LEAK SURVEY REMINDER

It is that time of year again! Time for ORUD Natural Gas' annual leak survey. As part of our commitment to safety, ORUD technicians will be working in neighborhoods during the next few months conducting its annual leakage control survey on the underground natural gas pipelines. This leak survey is done annually on 1/5 of the overall distribution system and at all schools, churches and business districts as required by the U.S. Department of Transportation. Although most leaks found are very minor, our job is to be proactive in searching out and repairing any leaks before they become a hazard!

Levelized Billing.

This option allows you to plan ahead for fun outings with your family and friends and spend less time calculating your monthly budget!

Our Levelized Billing option spreads your monthly payment amount out evenly to prevent extreme costs throughout the year. However, your amount will fluctuate some each month to reflect an accurate 12 month average.

You can sign up for Levelized Billing at any point during the year, as long as you have 12 months of usage history at your address.

If you're already enrolled, you do not have to take action!
